With reference to your letter No.E.6235/Archy. 6-48-2 dated 20th December 1948 conveying sanction to the quotation of the Diocesan Press, Madras in connection with the printing of supplementary volumes of the Epigraphia Carnatica, I have the honour to state that since the printing matter is of a technical nature and there is only one handwritten MSS of 500 pages, a responsible official of this Department will have to be deputed to go to Madras with the manuscript copy of the inscriptions and issue detailed instructions in person regarding the arrangement of matter and printing of the

same. I request you therefore to be so good as to permit me to depute one of my Assistants to Madras in this connection. The expenditure on this account which comes to about Rs.50/- under T.A. and contingencies may be met from the Budget of this Department for the current year.

Yours faithfully,

L. Narasimhachar
